Parents/Carers

School closure – Update

Dear all,

I am writing to inform you that we have received a further positive Covid-19 case within our academy, and following a discussion with Public Health England, we have been advised to remain closed until Monday 1st February 2021.

It is well documented that the majority of children infected are not displaying typical symptoms associated with Covid-19, and in some cases having no symptoms at all. Therefore, it is very important that parents/carers seek a test for any child who has any of the following:-

- Sore throat
- Headache
- Tummy upset
- Generally not acting themselves – less active or sleeping more than normal

If you do seek a test for yourself or your child, please inform us of the date the test was taken and again with the test result in order that we can keep an accurate record of these. This information should be emailed directly to: ephillips@phoenix.atrust.org.uk

Regular telephone calls will be made home to all families by our staff to provide support and guidance, and online learning will continue for all pupils via Class Dojo and Purple Mash.

May I take this opportunity to reassure you that we take the health and safety of all our staff and pupils very seriously, and it is important that we adhere to the guidance we are given.

Please keep safe and we look forward to welcoming pupils who have been attending back into the academy on Monday 1st February 2021. Pupils who have been working from home should continue to do so.

Yours faithfully

E. Phillips

Miss E. Phillips
Principal
