The Writing Process

STAGE

STAGE

STAGE

STAGE

Introduce the text type

Pupils are given examples of the text-type to enjoy and to discuss.

Deconstruct the text type

Pupils are encouraged to pull out the features of the text and note down the conventions. Introduce writing task and plan

Pupils plan their writing task. This may be a list plan or a storyboard, depending on the task.

Writing

Pupils complete writing task. This should be an enjoyable process and the opportunity should be taken to discuss the writing with pupils.

Evaluation & Reflection

STAGE

5

Pupils reflect on the wiritng process and think about what they have ahcieved and what they would do differently. They may produce a final draft.
