How will Key Stage 2 SATs be marked?

All of the test papers are sent away to be marked. Children will be given standardised scores for Reading, Spelling, Punctuation and Grammar and Maths. In order to achieve the expected standard at the end of Key Stage 2 your child will need to achieve a standardised score of 100. Results will be shared with parents in the end of year report.

How to support your child

It is essential that your child attends school every day. All of the Year 6 team will be there to make sure children feel ready for the test that day.

The weekend before the tests, please support your child to relax. Make sure that they have an early night and feel fully rested for the week ahead.

The SATs are a snapshot of what your child has learnt in primary school and the results depend on how well they perform on the day. But as the teachers that work with your children, we can honestly say that each and every child has made fantastic progress this academic year. We are proud of the hard work and resilience they have shown in preparing for the tests.

If you have any questions and need further clarification, please do not hesitate to speak to the Year 6 team – Miss Jaques and Mrs Satchwell.

Kind regards

Miss E. Phillips
Principal
