

Accessible Community Games

Inspiring physical activity for people with physical, learning and sensory disabilities in our community

Free, fun, friendly and engaging

Community Games allow you to try different sporting activities regardless of your age or ability, you can meet sports providers who will show you what they do and let you try their activity.

We would like you to have fun, try new sports activities and find something you really enjoy.

We will greet you on arrival, explain the event and answer your questions.

The facility is accessible to both pedestrian and wheelchair users alike. If assistance is required then carers must accompany visitors as we do not provide a care service: however, we will provide lots of fun activities for you to enjoy with friends and family. We look forward to seeing you there.

For more information please email becki@inspireactivity.co.uk
