Dear Parents/Carers

We have thoroughly enjoyed welcoming you all back to another busy year ahead here at Phoenix Academy.

We have had a fantastic start to this half term and the children are enjoying their first topic of the year of Blue Abyss.

The children have been creating their own Blue Abyss dioramas, using clay to create sea creatures and creating wonderful pieces of art work. All of these are available to see on Class Dojo, if you have not yet joined, then please contact the school office if you are having difficulties.

Can you please be aware that we wish to limit children bringing their own possessions into school to avoid them losing any items or them getting broken. Please sup-

port this by making sure your child does not bring any personal belongings into school.

The children are able to have breakfast when they arrive at school and are welcome to bring a healthy snack for morning break, such as a cereal bar, fruit or rice-cakes but please remember not to send any products containing nuts into school due to both staff and pupil allergies.

We are looking forward to the another wonderful academic year full of activities and fun learning.

Please see our website for lots of information.

Miss E Phillips

Principal

We are having work done on the school car park. There will be limited access to the car park and there will also be temporary road traffic lights which is going to have an impact on what is already a busy road at school pick up and drop off times. Please be assured pupils safety is our priority and this may mean that you are waiting longer during these times to pick up and drop off. We apologise, the work is expected to last two weeks.
